

Haan Main Galat Lyrics

Haan main galat

Galat meri baatein

Galati se hi duniya bani

Poora sahi koi nahi hai

Le le meri chetawani

Ho ho ho dil mein jo aaye

Ho ho ho aaj ho jaaye (x2)

Aa stage laga hai

Badi jagah hai

Do it with a twist

Twist twist

Twist twist twist

Haan main galat

Galat hoga tu bhi

Aaja karein galti nayi

Dar ke sahi hua kahan koyi

Darte rahe pehle kayi

Ho ho ho aasmaan toote

Ho ho ho yeh jahaan roothe (x2)

Aa stage laga hai

Badi jagah hai

Do it with a twist

Twist twist

Do it with a twist twist twist

Ho mera apna character

Teri apni adaa

Tootenge bikhrenge

Behkenge sambhenge dono

Dil ke uss maamle mein

Na akal ko laga

Aklon mein uljhenge

Toh phislenge dono

Ho mera apna character

Teri apni adaa

Tootenge bikhrenge

Behkenge sambhenge dono

Dil ke uss maamle mein

Na akal ko laga

Aklon mein uljhenge

Toh phislenge dono

Ho ho ho dil mein jo aaye

Ho ho ho aaj ho jaaye (x2)

Aa stage laga hai

Badi jagah hai

Do it with a twist

Twist twist

Twist twist twist
