

## Mercy Lyrics

Ek kone mein tha baitha

Jab mujhe wo dikhi

Thi wo sabse alag

Thi wo sabse haseen

Aakhein meri phir

Uski aakhon se ja mili

Ek waari do waari

Phir nikli hansii

Ik haath hawa vich

Dooje ch glass

Te mainu ni pata si

Glass vich ki

But hauli hauli lakk nu

Ghuma ke nachdi

Lage so sexy!

Oh takdi mainu, main takda ohnu

Mahaul mein tension badhne lagi

Khuda ki kasam na kabhi maine pee

Haan phir bhi thodi thodi chadhne lagi

Ruka na gaya

Na gaya ohde kol

I said I wanna talk

Oh kehndi mainu bol

Main ohde nehde jaake ohnu puchheya

Baby do you freak like you dance cause

You dance like a pro

Have mercy on me

Have mercy on me

Jaise hilti hai waise mat hila kar

Lage mujhe rahegi rab se mila kar

Body teri hotter than a chinchilla fur

Maa ne tujhe bada kiya kyaa khila kar

Ruk jaaye down when you get down low

Kar lo reham thoda meri mano

Aise meri jaan na meri jaan na lo

Aise meri jaan na meri jaan na lo

Dhoondha but koyi na nikli kami

Pairon ke neeche se nikli zameen

Band bhi karo ab karna yoon tease

Haathon ko jodke kehta hoon please

Have mercy on me

Have mercy on me

Kar lo reham thoda kar lo rahem (x7)

Kar lo rahem thoda kar lo

It's your boy Badshah
