

## Not Afraid Lyrics

I'm not afraid (I'm not afraid)  
To take a stand (to take a stand)  
Everybody (everybody)  
Come take my hand (come take my hand)

Yeah, it's been a ride  
I guess I had to, go to that place, to get to this one  
Now some of you, might still be in that place  
If you're trying to get out, just follow me  
I'll get you there

(We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just letting you know that you're not alone  
Holler if you feel like you've been down the same road)

You can try and read my lyrics off of this paper before I lay 'em  
But you won't take the sting out these words before I say 'em  
'Cause ain't no way I'mma let you stop me from causing mayhem  
When I say I'mma do something I do it  
I don't give a damn what you think  
I'm doing this for me, so fuck the world

Feed it beans, it's gassed up, if it thinks it's stopping me  
I'mma be what I set out to be, without a doubt undoubtedly  
And all those who look down on me I'm tearing down your balcony  
No ifs, ands or buts, don't try to ask him why or how can he  
From "Infinite" down to the last "Relapse" album

He's still shitting, whether he's on salary paid hourly  
Until he bows out or he shits his bowels out of him  
Whichever comes first, for better or worse  
He's married to the game, like a "fuck you" for Christmas  
His gift is a curse, forget the Earth, he's got the urge  
To pull his dick from the dirt, and fuck the whole universe

I'm not afraid (I'm not afraid)  
To take a stand (to take a stand)  
Everybody (everybody)  
Come take my hand (come take my hand)

We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just letting you know that you're not alone  
Holler if you feel like you've been down the same road (same road)

Okay quit playing with the scissors and shit, and cut the crap  
I shouldn't have to rhyme these words in a rhythm for you to know it's a rap  
You said you was king, you lied through your teeth  
For that fuck your feelings  
Instead of getting crowned you're getting capped

And to the fans, I'll never let you down again, I'm back

I promise to never go back on that promise

In fact let's be honest

That last "Relapse" CD was "ehh"

Perhaps I ran them accents into the ground

Relax, I ain't going back to that now

All I'm trying to say is get back, click-clack, blow

'Cause I ain't playing around

There's a game called circle

And I don't know how, I'm way too up to back down

But I think I'm still trying to figure this crap out

Thought I had it mapped out but I guess I didn't, this fucking black cloud

Still follows me around but it's time to exercise these demons

These motherfuckers are doing jumping jacks now!

I'm not afraid (I'm not afraid)

To take a stand (to take a stand)

Everybody (everybody)

Come take my hand (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that you're not alone

Holler if you feel like you've been down the same road (same road)

And I just can't keep living this way  
So starting today, I'm breaking out of this cage  
I'm standing up, I'mma face my demons  
I'm manning up, I'mma hold my ground  
I've had enough, now I'm so fed up  
Time to put my life back together right now! (now)

It was my decision to get clean, I did it for me  
Admittedly, I probably did it subliminally  
For you, so I could come back a brand-new me you helped see me through  
And don't even realize what you did, 'cause believe me you  
I've been through the wringer, but they could do little to the middle finger

I think I got a tear in my eye, I feel like the king of  
My world, haters can make like bees with no stingers  
And drop dead, no more beef lingers  
No more drama from now on, I wanna promise  
To focus solely on handling my responsibilities as a father

So I solemnly swear to always treat this roof, like my daughters  
And raise it, you couldn't lift a single shingle on it!  
'Cause the way I feel, I'm strong enough to go to the club

Or the corner pub, and lift the whole liquor counter up  
'Cause I'm raising the bar  
I'd shoot for the moon but I'm too busy gazing at stars  
I feel amazing and I'm...

I'm not afraid (I'm not afraid)

To take a stand (to take a stand)

Everybody (everybody)

Come take my hand (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that you're not alone

Holler if you feel like you've been down the same road (same road)
